## Now Enrolling for the 2011-2012 School Year

Using a "school-within-a-school" model, The Apache Gifted Academy will include a self-contained gifted class at each grade level from 2<sup>nd</sup> through 8<sup>th</sup> grades. Our goal is to provide a challenging curriculum and interaction with peers of similar aptitude in order for each child to reach their highest levels of learning and accomplishment. Curriculum for students who have tested gifted in any area (verbal, quantitative or nonverbal) will include both the Arizona state standards as well as gifted (P.I.) curriculum. Students will take
