

## Supply list for Third graders

Dear Parents,

I know you are anxious to get your child prepared for the third. Oasis Elementary provides some supplies for each student. However, there are a few which are given that are highly recommended. I also understand that children like to bring their own things and have them at their desk when needed.

Below I have compiled a list of some items that many children typically bring from home. If your child chooses to bring any of these in, please make sure his/her name is clearly marked on all supplies so we can avoid any confusion later on as to whom they belong.

### **Suggested Materials**

- \*1 inch binder
- \* (1) 70 page notebooks –(solid color; do not put name on these)
  - \*\*\*Fredericksen’s class only – 3 notebooks (Green, Yellow and Red)
- \* Small post it notes
- \* Heavy Duty Sheet Protector
- \* 1 box of colored pencils or markers
- \* Personal glue stick
- \* Ruler with inches and centimeters
- \* Highlighter
- \* Scissors
- \* 1 box of Kleenex and 1 bottle of hand sanitizer to donate to class
- \* Dry erase markers and eraser (old sock can be used) --1 each quarter
- \* Box of pencils and Small pencil sharpener with cap to keep shavings in
- \* Small pencil box to keep all crayons, pencils and markers, must fit in desk

### **Additional Items for donation:**

- \*Kleenex/ tissue throughout the year
- \*Hand sanitizer- We tend to run out of these items about mid-year

Please avoid sending the following items to school: Trapper Keepers, and large pencil boxes. As a grade level we have had difficulty with these items in the past and from experience, find that life is easier without them.

**Thank you,** Third Grade Teachers
