

## PEORIA UNIIFED SCHOOL DISTRICT POLICY

### **J-3200 © JICK STUDENT VIOLENCE / HARASSMENT / INTIMIDATION / BULLYING**

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society.

The District, in partnership with parents, guardians, and students, shall establish and maintain a school environment based on these beliefs. The District shall identify and implement age-appropriate programs designed to instill in students the values of positive interpersonal relationships, mutual respect, and appropriate conflict resolution.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment or intimidation as defined by this policy will not be tolerated.

## **Prohibitions and Discipline**

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists.

Disciplinary action may result for bullying which occurs outside of the school and the school day when such bullying results in a substantial physical, mental, or emotional negative effect on the victim while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

## **Reporting Incidents of Bullying**

A student who is experiencing bullying, or believes another student is experiencing bullying, is to report the situation to the principal or another school employee. A school employee who becomes aware of or suspects a student is being bullied shall immediately notify the school administrator. School personnel shall maintain confidentiality of the reported information.

The initial notification of an alleged incident may be provided verbally. A detailed written description of the incident and any other relevant information must be provided on form(s) made available by the school and submitted to the principal within one (1) school day of the verbal report. Should the principal be the employee who observes, is informed of, or suspects a student is experiencing bullying the principal shall document the incident or concern in writing. Failure by an employee to report a suspected case of bullying may result in disciplinary action up to suspension without pay or dismissal pursuant to Board Policies GCQF and GDQD.

Reprisal by any student or staff member directed toward a student or employee related to the reporting of a case of bullying or a suspected case of bullying shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable District policies and administrative regulations.

At the time a student reports alleged bullying the principal shall provide to the student who has allegedly been bullied a written copy of student rights, protections and support services available to the student and shall notify the student's parent(s) of the report.

The principal shall investigate *all* reports of bullying. If the principal determines that bullying has occurred, discipline will be administered pursuant to Board Policies JK, JKD, and JKE. Regardless of the outcome of the investigation the principal will meet with the involved students to review the findings of the investigation. Subject to the restrictions of the Family Educational Rights and Privacy Act (FERPA) set out in Policy JR, the parent(s) or guardian(s) of the involved students shall also be informed of the findings of the investigation.

Documentation related to reported bullying and subsequent investigation shall be maintained by the District for not less than six (6) years. In the event the District reports incidents to persons other than school officials or law enforcement all individually identifiable information shall be redacted. Restrictions established by FERPA on disclosure of personally identifiable student information must be observed at all times.

The Superintendent shall establish procedures for the dissemination of information to students, parents and guardians. The information will include, but not be

limited to, Governing Board policies, incident reporting, support services (proactive and reactive) and student's rights. The dissemination of this information shall

- occur during the first (1st) week of each school year,
- be provided to each incoming student during the school year at the time of the student's registration,
- be posted in each classroom and in common areas of the school, and
- be summarized in the student handbook and on the District website, and

the Superintendent shall establish procedures for the dissemination of information to District employees including, but not limited to

- Governing Board policy,
- preventive measures,
- incident reporting procedures,
- available support services for students (both proactive and reactive), and
- student rights.

Information will be provided to staff members at the beginning of each instructional year and on the first day of employment for new employees.

The Superintendent shall establish procedures designed to protect the health and safety of students who are physically harmed as the result of bullying. These will include, when appropriate, procedures for contacting emergency medical services, law enforcement agencies, or both.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

Law enforcement authorities shall be notified any time District officials have a reasonable belief that an incidence of bullying is a violation of the law.
